I. Read and passed the District Fund audited accounts of Receipts and Expenditure for the months of March, April, May and June 1908.

II. Read and passed the District Fund Administration Report of this district for the year 1907-08.

III. Read General and Revenue Secretary's docket No. 1201-10—San. 250-07-7, dated 1st August 1908, requesting to be furnished with an expression of President's opinion with the copy of the District Board's Resolution on certain proposals made by the Sanitary Commissioner with a view to keep the expenditure of the Plague Department for the year 1908-09 within the budget grant of Rs. 50,000.

*Resolution.*—The Board consider that it would be inexpedient to dispense with the employment of additional Police men during a season of plague or to divert the regular Municipal staff or other similar staffs in Unions on plague duty. The Board agree to bear all expenses necessary for the entertainment of temporary Police, Disinfection, Hospital menial establishments in places other than Municipalities and to make arrangements themselves to efficiently supervise all measures in connection with plague and will provide in their Budget a sum of Rs. 3,000 every year therefor. This arrangement while no doubt throwing some extra expense on the Board's revenues will have the advantage of doing away with the necessity of applying for sanctions and will enable the Board to entertain the various establishments immediately as they become necessary. The Board are also prepared to allot every year a sum of Rs 250 for measures in connection with cholera, small-pox, etc. Both these allotments should be administered directly by the Board.

The salary of the Special Hospital Assistant that may be appointed during cholera or plague may, it is requested, continue to be borne by Government as hitherto, as also the cost of shed-building materials issued to the poorer section of the public from the Forest Department.

IV. Read General and Revenue Secretary's letter No. 1327-34 - Med. 18-07-28, dated 6th August 1908, stating that it is in contemplation to provide the Hospital Assistants and midwives with quarters at the public expense; that the estimated cost for the Hospital Assistant's quarter is Rs. 2,000 and for that of midwife's, Rs. 1,000 and that Pavagada and Huliyurdurga are the places selected for constructing quarters for these Medical Department officials and requesting to be furnished with the President's views in the matter and to move the District and Municipal Boards concerned to contribute their usual quota of the cost for constructing these quarters.

*Resolution.*—Proposed by Mr. K. Ramanuja Iyengar and seconded by Messrs. Singri Nanjappa, Abedalli Sahib and C. Srinivasa Rao that in Taluk Head-quarters the distance from the remotest part of the town to the dispensary buildings is never much rarely exceeding a furlong, that Taluk Amildars, Police Inspectors, Jamadars and Shekdars who experience similar difficulties in regard to getting houses and the nature of whose duties require that they should be under no obligation to any body have yet to be provided with houses and it is frequently difficult to get a house suited to the rank of an Amildar while houses suited to the rank of a Hospital Assistant are easier procured, that the money proposed to be spent on houses for the Medical Department officials can find better use in

other necessary directions; but if Government resolve upon constructing these houses the Board submit that they be ordered in places where the want of accommodation and the necessity for Government buildings is proved to their satisfaction. The Hospital Assistants and midwives can always count upon the influence of the members of the Board to procure them houses. In regard to turning the in-patient wards into quarters for these officials there are many serious objections which the Board placed before Government some time ago and they respectfully invite a reference to them.

The Board find from the currrent year's budget that no money can be spared under any head.

V. Read and recorded Government Proceedings No. 13337-52—L. B. 307-07-19, dated 20th June 1908, sanctioning the Local Funds General budget for 1908-09.

VI. Read Gubbi Sub-Divisional Officer's yadi No. 162, dated 5th September 1908, proposing that a native Vaidyasala may be opened at Honnavalli in the Tiptur Taluk.

*Resolved* that the subject be reserved for consideration during the next year.

VII. Read Tumkur District Forest Officer's memo dated 22nd August 1908, requesting that Irish drains or bridges may be arranged to be put up on the Tumkur-Ooradagere road as much difficulty is experienced by the fuel, cartmen in passing along the road as it is crossed by three deep 'Nalas.'

*Resolved* that the subject be considered when funds are available and that the Executive Engineer be requested to furnish an estimate of the probable cost of putting up the Irish drains on the road referred to.

VIII. Read Tumkur Sub-Divisional Officer's yadi No. 186, dated 12th September 1908, forwarding Tumkur Taluk Amildar's report requesting sanction for the appropriation of Rs. 250 sanctioned in the current year's District Fund budget for a well at Kodimuddanahalli, towards the well in the village of Dasegowdanapalya.

*Resolution.*—Sanctioned.

IX. Read the undermentioned subject mooted by the Dasara Representative Assembly Member of the Tumkur Taluk :—

(Mr. T. Ranga Naik.)

*Subject.*—Increase of rate of fine on impounded goats.

*Representation.*—Orders of Government are solicited to levy four annas on every impounded goat as the present rate is not a sufficient deterrent on those letting them to stray away.

*Resolved* that a recommendation on the subject be made to Government. Annas four is too high a rate as goats move about in flocks and would get impounded in large numbers.

X. Read Kunigal Taluk Amildar's report No. 87, dated 3rd August 1908, soliciting sanction to the entertainment of a care-taker for the Amritur musafirkhana on Rs. 5 per mensum.

*Resolution.*—It is necessary that a care-taker should be appointed to look after it. Government may be requested to sanction the entertainment of a care-taker on a monthly pay of Rs. 5 and the cost thereof may be met out of the provision in the current year's budget under the head "VI Village Sanitation."

XI. Read letter dated 30th July 1908, from Mr. H. G. Siddalingappa, Ravi Varma Fine Art Agency, Mysore, requesting that copies of the Kannada Pictorial Alphabet Chart may be purchased for use in the village and aided schools.

*Resolution.*—The Education Department should know best about the usefulness of the chart. If the Education Department wants a small grant for the purchase of these charts, it can be paid. The Board are unwilling to take the initiative. The Education Department should be addressed on the subject.

XII. The undermentioned estimates received from the Executive Engineer, Tumkur Division, with his dockets Nos. 209 and 251, dated 13th August 1908 and 17th September 1908, respectively, are approved :—

(1) Estimates for Rs. 272 for repairing 3rd class travellers' bungalow at Chiknayakanhalli.

(2) Estimate for Rs. 114 for fixing burnt stone slabs for the side protection at $\frac{6}{10}$ mile of Kibbanahalli-Turuvekere road.

XIII. An estimate for Rs. 29-4-0 for a record-rack for use in the Local Fund Branch of the District Office.

*Resolution.*—Sanctioned.

XIV. Read and approved the accompanying list of District Fund works sanctioned during the month of June 1908.
